

# BUILD, BRAND AND BRANCH OUT WITH BGO.

The BGO Specialty Leasing program provides opportunities for you to build your brand and cultivate your business with programs to get you up and running quickly and cost effectively.

## SHORT TERM STORE SPACE

Use of available in-line store spaces provides you with an opportunity to test your business or product by having a traditional retail presence without the long-term commitment.

## KIOSK & CARTS

Carts and Kiosks offer a cost effective way to reach shoppers in prime, common area locations. Perfect for impulse buy products or merchants who don't need too much room for display; carts and kiosks offer quick entry into the retail market.

## PARTNERSHIPS & MEDIA

Partnership and media opportunities expand your reach and boost exposure for your brand. From in-mall advertising to social media and event sponsorships; we offer you the opportunity to stand out on your own or integrate seamlessly with one of our proven mall events and programs.

## BRAND ACTIVATION & EVENTS

Capture your consumers attention by showing up organically where they shop. Whether you're looking to sample new products, drive brand awareness or launch a seasonal campaign, consider hosting an activation or event to strengthen the emotional connection to your brand.

## PARKING LOT

Capitalize on our Shopping Centre's proximity to major traffic arteries and consider activating within our parking lots.

Connect with us about short term, cost effective and flexible options to activate within a shopping centre.
