# SPECIALTY LEASING

Specialty Leasing offers you the opportunity to promote your business, product or service or try your hand at retail in a high-traffic shopping centre without a major commitment. There are two ways to get your business noticed:

- 1) Common Area Rental
- 2) Inline Store Rental

## COMMON AREA

Leasing Common Area space puts you in the middle of the action! You can either rent one of our Retail Merchandise Units (RMU) or bring in your own kiosk. Visit our [website](#) for our rates.

Inline units give you the opportunity to have your very own storefront! Inventory varies throughout the year so be sure to contact us for a list of availabilities.
